ACTION TAKEN REPORT ALUMNI'S FEEDBACK ON CURRICULUM SUMMARY

Academic Year: 2023-24

This institute is an autonomous institute and affiliated to JNTUK, Kakinada and the college academic curriculum is designed by Board of Studies at our institute level under the guidance of university nominees. Before designing the blue print of the curriculum, several meetings will be conducted by local Board of Studies members to discuss about the suggestions and remarks made by the stockholders (Students, Teachers, Alumni and Employer's).

Feedback on the curriculum design and development was gathered from various stakeholders and reviewed during academic meetings. Based on the feedback, the following steps were planned:

- Encourage students to take on research-based projects.
- Update the curriculum periodically as needed.
- Arrange interactive online sessions between alumni and students.
- Promote entrepreneurship skills among students.
- Keep alumni informed and engaged through regular updates via newsletters, social media, and alumni portals.
- Strengthen alumni connections by hosting reunions, virtual meetups, and webinars.
- Offer alumni benefits like access to the library and online courses to maintain a balanced relationship.

All the proposals and recommendations about curriculum are conveyed by IQAC to the Principal.
